

Prostate cancer can be isolating.

Get one-to-one support from a Peer Navigator
who has been through it.

Join a research study on peer navigation.

TrueNTH Peer Navigation connects you with a Peer Navigator who has experienced prostate cancer and is trained to guide you through your journey.

This program is for:

- Men diagnosed with prostate cancer
- Partners/caregivers of men diagnosed with prostate cancer

To register for this program, visit:

peernavigation.truenth.ca

For more information, contact the Program Coordinator at:
416-581-7652 or peer.navigation@uhn.ca
